BYOD

Cronulla High School

"Bring your own device" (BYOD) refers to students bringing a personally owned device to school for the purpose of learning.

BYOD

- BYOD has been implemented for all years since 2015 at Cronulla High School.

- Week 3 Term 1, Students are oriented to BYOD, connected to the DoE Wireless and assisted in the install of Microsoft Office, Adobe Creative Cloud and their Mathematics Textbooks.

- We ask on these days that students have access to the administration account of the device

- A small number of students rent an older Laptop for $30 per term.

Suitable Devices

- Business Device Laptop.

- A device able to connect to **Dual Band** wifi or specifically **5GHz** Network.

- Decent size screen between 11-14 inches.
