

INFORMATION FOR PARENTS OF STUDENTS CURRENTLY IN YEAR 6

Bring Your Own Device Information Night Tuesday 17 September 2024 at 6.00pm - School Hall

An information session for current Year 6 students and their parents is being held to explain the school's policy for 2025 regarding students bringing laptops to school for educational purposes.

Topics to be covered include:

- What is BYOD?
- Recommendations for devices that are considered suitable;
- Hardware Vendors with Student Portals or Deals;
- Protecting your device;
- Recommended software;
- DEC Agreements with Microsoft and Adobe for Software;
- School wireless specifications and availability;
- User Charter;
- Classroom policy; and
- Technical Support at School

The presentation will also be available online via the Cronulla High School website after the event.

Yours sincerely
