

# Learning Support Information Session

**CHS YEAR 6 ORIENTATION DAY  
2023**

# The Learning Support team at CHS

## What we do

- ✨ The school learning and support team plays a key role in ensuring the specific learning needs of students experiencing difficulties are met.
- ✨ We work collaboratively with parents and teachers to determine what adjustments and strategies are necessary to ensure that all students have equal opportunities to participate and succeed.
- ✨ Adjustments are reviewed and modifications are made as necessary.
- ✨ Our team offers a safe place for students to discuss concerns, providing guidance and resources to help navigate through High School.
