

APPLICATION FOR NON-LOCAL (OUT-OF AREA) & NON GOVERNMENT YEAR 6-7 STUDENTS

Students living inside Cronulla High School's boundaries are local students and have right of entry to this school and as such **you do not need to complete this form**. If you are not sure which high school you are zoned for, check with your primary school or Cronulla High School.

All non-local applicants seeking enrolment at Cronulla High School should arrange an interview for you and your child with the Principal, Tony Ibrahim, on 9523 4017 from Term 1, 2024. At the time of interview, please bring:

1. **this completed form**
2. **supporting documentation**
3. **a letter which addresses the "Criteria for Non-Local Applicants" (this criteria can be found on the school website)**

This letter should include as much information as possible as the Enrolment Panel will use this to process applications. Supporting evidence must be provided where applicable, such as medical evidence.

If you attend a NSW government primary school you must also complete the online *Expression of Interest for Placement in a NSW Government Secondary School*. This is found in the enrolment tab on your current primary schools website. **You should list Cronulla High School as your first preference in order to be considered for placement at our school.**

Cronulla, as a comprehensive high school, accepts and values the full range of students. However, in recent years there has been an overwhelming demand for enrolment positions at Cronulla. This has meant that the School Community has had to develop a criteria for selecting students wishing to enrol from outside the school's local area. An Enrolment Panel will be reviewing all out-of-area enrolments for next year and priority for placement at the school will be given to those students who best meet the enrolment criteria.
