

WINTER SPORT SELECTIONS – 2021

Dear Parent and Student,

Winter sport will commence on Thursday March 18th (Week 8 Term 1)

All students are asked to select FIVE CHOICES.

Students need to be prepared to do **ANY** of their nominated sports.

Grade sport will run for 20 weeks. If you choose a grade sport, you will become **part of a team** representing Cronulla High School with your team mates depending on you. Grade sport is played against other teams in the Port Hacking Zone.

Recreational sport students will have 2 out of their 5 choices allocated for 10 weeks each. When selecting recreational sport, you need to be aware that you may not get the sport you select in either 10-week period.

All years will have an allocated time to select their sport

**Year 9, 10, 11 WEDNESDAY 24th February
Years 7 and 8 FRIDAY 26th February**

Some sports will have a limit on the number of participants. Preference will be given to:

1. Students who have their selection sheet with parental authorisation with them during the required time.
2. Older students
3. Students who have not done the sport previously

Please Note: that students whose behaviour and/or attendance at sport has been poor may not get their 1st selection.

Grade venues and costs may change depending on the number of students applying for the sport. **Grade sports are offered, although may not run due to other schools in the zone not forming teams, or not enough students from Cronulla High choosing the sport.**

ALL STUDENTS WILL RETURN TO CRONULLA HIGH SCHOOL AT THE CONCLUSION OF SPORT.
