

CAREERS CORNER - ISSUE

DATE: 13/5/22

CAREER ADVISERS MESSAGE

Career as a Market Influencer

According to the Influencer Marketing Hub, Influencer Marketing is now a mainstream form of online marketing. Influencers, unlike celebrities, can be anywhere. They can be anyone. What makes them influential is their large followings on the web and social media. So, a brand will work with a Market Influencer to market or promote one of its products or services. The Market Influencer will have a large following of subscribers and will improve recognition of the brand. They are the go-to people who provide the answers to people's questions about the brand they are promoting. The Market Influencer is paid by the brand they are promoting. Ellese Ferdinands, Social Media Influencer and PhD Graduate, forged her career in the digital space by keeping up with trends in marketing and content creation within social media. For insights into social media strategy and Ellese's journey, check out the interview here.

Applications are open

Applications for study in semester 2, 2022 and 2023 are now open. You can apply for undergraduate study as well as the Schools Recommendation Scheme, Educational Access Scheme and Equity Scholarships. Courses will be added in the coming months and all semester 1, 2023 courses will be available from early August.

Educational Access Scheme

Institutions acknowledge that difficult circumstances can prevent students from reaching their true academic potential, particularly if their educational performance has been affected by long-term disadvantage. The [Educational Access Scheme \(EAS\)](#) can help.

Schools Recommendation Scheme

The [Schools Recommendation Scheme \(SRS\)](#) is one way institutions make early offers of undergraduate admission to Year 12 students. They do this by using criteria other than (or in addition to) the ATAR. You must apply through UAC for undergraduate admission in 2022–23 to be eligible for SRS.

Equity Scholarships

[Equity Scholarships](#) help financially disadvantaged students with the costs associated with tertiary study. Details of requirements for individual scholarships can be found on the [institution websites](#).

[How to apply through UAC](#)

Special entry requirements

Entry into certain undergraduate degrees such as medicine, dentistry, health science and law is highly competitive and the selection process is rigorous. Certain courses require applicants to sit an admissions test for entry.

Check the course descriptions on the undergraduate course search to find out if the course you're interested in has any special entry requirements.

Medicine and medical sciences

You may be required to sit the University Clinical Aptitude Test (UCAT). [Find out more about UCAT](#).

Law

For students interested in studying law at UNSW in 2023, you will need to sit the Law Admission Test (LAT 2022). [Visit UNSW's website](#) for further information.

UAC Digital webinars

UAC webinar: Let's Chat – Health Science | 18 May 2022 | 6pm

Thinking of pursuing a career in nursing, midwifery, physiotherapy, speech pathology or radiology? We'll provide HSC students and their parents with information about additional selection criteria, degrees and placements, and give answers to the most commonly asked questions.

[Register for the Health Science webinar](#)

UAC webinar: Let's Chat – Applying for the Educational Access Scheme | 19 May 2022 | 6pm

The Educational Access Scheme (EAS) is for students who have experienced long-term disadvantage(s) and may help with entrance into university. We'll give you an overview of EAS and discuss categories of disadvantage, how to apply, and key dates

[Register for the Educational Access Scheme webinar](#)

UAC webinar: Let's Chat – Construction and Engineering | 25 May 2022 | 6pm

Thinking of applying for a construction or engineering degree? We'll provide HSC students and their parents with information about related HSC courses, placements, selection criteria and pathways, and give answers to the most commonly asked questions.

[Register for the Construction and Engineering webinar](#)

UAC webinar: Let's Chat – Year 10 subject selection | 26 May 2022 | 6pm

We'll provide helpful tips and bust some myths about selecting your Year 11 and 12 subjects.

[Register for the Year 10 subject selection webinar](#)

UAC webinar: Let's Chat – Teaching | 1 Jun 2022 | 6pm

Thinking of applying for a teaching degree? We'll provide HSC students and their parents with information about related HSC courses, entry requirements, application statements and pathways,

and give answers to the most commonly asked questions.

Register for the Teaching webinar

UAC webinar: Let's Chat – Mental health and the HSC | 8 Jun 2022 | 6pm

A panel of experts will help HSC students and their parents identify the differences between healthy stress and more serious mental health challenges.

Register for the Mental health and the HSC webinar

UAC webinar: Let's Chat – Veterinary students | 9 Jun 2022 | 6pm

Current veterinary students from a range of universities share why they chose their course and their experiences of student life.

Register for Veterinary students: for the love of animals

UAC webinar: Let's Chat – SRS early offers | 15 Jun 2022 | 6pm

We'll run through entry requirements and dates for the Schools Recommendation Scheme (SRS), and give answers to the most commonly asked questions.

Register for the SRS early offers webinar

UAC webinar: Let's Chat – Studying at a regional university | 21 Jun 2022 | 6pm

Discover the benefits of studying outside the metropolitan area with a group of UAC's participating regional universities.

Register for the regional university webinar

UAC webinar: Let's Chat – Business/Law students | 22 Jun 2022 | 6pm

Current business and law students from a range of universities share why they chose their course and their experiences of student life.

Register for Business/Law students: don't judge me

UAC webinar: Let's Chat – Business, Commerce and Economics | 29 Jun 2022 | 6pm

Thinking of applying for a business, commerce or economics degree? We'll provide HSC students and their parents with information about related HSC courses, available degrees and majors, and your options if you don't meet the entry requirements.

Register for the Business, Commerce and Economics webinar

UAC webinar: Let's Chat – Nursing students | 30 Jun 2022 | 6pm

Current nursing students from a range of universities share why they chose their course and their experiences of student life.

ANU College of Engineering & Computer Science Female Excellence Scholarships To Plan For Closes 23 May 2022

This scholarship is offered by the ANU College of Engineering and Computer Science.

The scholarship is valued at \$5,000 per annum for 2 years, with payments made after census date each semester.

Recipients will receive mentoring and career development support from College staff members and receive priority access to industry engagement opportunities.

<https://www.anu.edu.au/study/scholarships/find-a-scholarship/anu-college-of-engineering-computer-science-female-excellence>

ANU - What is Law?

17 May 2022. 5pm

Law affects every aspect of our lives, but have you ever wondered about its origins and its evolution throughout history? Take a journey into jurisprudence with Associate Professor Joshua Neoh as he traces the philosophical roots of law and offers a deeper look at legal theory. This webinar will also introduce you to the degree programs at the ANU College of Law and preview student life at Australia's national law school.

<https://www.anu.edu.au/study/events/what-is-law-a-masterclass-by-associate-professor-joshua-neoh>

ANU Direct Applications for 2023 entry will be *closing soon*. To assist you and your students with the process, please take note of the following information.

APPLICATION TIMELINE

The complete timeline for 2022 applications is available at <https://www.anu.edu.au/study/apply/domestic-applications-anu-undergraduate/applying-to-anu-application-details/application>

ANU Applications opened on Wednesday 2 March and will **close Monday 23 May**. Students can start their application at any time and log back in as needed to complete the process

- If students have any issues with their student number and PIN, they can leave this blank and move on to the application.
- Students need to include their co-curricular activities with appropriate documentation: <https://www.anu.edu.au/study/apply/domestic-applications-anu-undergraduate/applying-to-anu-application-details/co>
- NSW HSC students do not need to include their year 11 reports in their application; ANU will access this information from NESA.
 - IB students will need to upload their Year 11 results for semesters 1 and 2
- ANU has supplementary forms available which students can use when submitting their documents (if their existing documents are already in the correct format, they DO NOT need to use these forms)
 - Co-Curricular Documentation
 - Template: <https://www.anu.edu.au/files/guidance/Co-curricular%20or%20service%20supporting%20documentation%20template.pdf>
 - Year 11 Results
 - Form: https://www.anu.edu.au/files/guidance/Year%2011_Supplementary_Assessment_Form.pdf
 - Year 12 Subject Enrolment (for students applying to degrees with prerequisites): Year 11 Results
 - Form: https://www.anu.edu.au/files/guidance/Year%2011_Supplementary_Assessment_Form.pdf

	<p>Offers will be released on Monday 5 September.</p> <p>ANU APPLICATION WEBINAR SERIES</p> <p>Our team is hosting a series of webinars for prospective students throughout the application window. The sessions are running at 4:00pm on Wednesdays, and include sessions about the application process, accommodation, scholarships, study options, and the co-curricular requirements.</p> <p>The registration link for webinar series is available through https://www.anu.edu.au/study/events; students can register for any of the sessions they are interested in via this webpage.</p> <p>Recordings from the sessions are being uploaded to the ANU Experience YouTube channel. 	<div> <div> Study at ACU: ACU entry and pathways for Year 12 students webinar </div> <div> Tuesday 24 May 6pm - 6.30pm </div> <div> Register here </div> <div> ACU has a range of pathways and entry programs available to Year 12 students. Our Future Students team will explain our various options and the eligibility criteria for each one, and you'll hear from current students about their journeys. </div> </div>
	<p>University of Canberra Bachelor of Primary Education Entry Questionnaire</p> <p>The four-year Bachelor of Primary Education is a rigorous course which will prepare you to teach national literacy and numeracy at a primary school level, from Kindergarten to Year 6. You'll develop a sound understanding of the educational theories and teaching skills required in today's classrooms, largely by regularly observing them in a primary school environment and putting your academic learnings into practice during one of the many teaching placement opportunities you'll undertake.</p> <p>All applicants will be required to complete a written statement in response to questions designed to assess their suitability for the teaching profession. Applicants' responses to these questions must be deemed satisfactory for them to be admitted to this course. You can find the questions in the 'resources' section of the online application portal when you are applying. You can upload your responses in PDF format as part of your application.</p> <p>https://www.canberra.edu.au/about-uc/faculties/education/docs/UG-Teacher-Education-questionnaire.pdf</p>
	<p>Charles Sturt Advantage early offer program information session</p>

	<p>Round 2 is now open and students could receive an early offer by late July if they apply by 24 June 2022.</p> <p>And to make it nice and easy for you and your students to get information on the Charles Sturt Advantage and ask any questions – we’ve got an information session coming up.</p> <p>Anyone wanting to learn more about the early offer program can join us at 6:45pm on 7 June 2022. You, your students and their families are encouraged to attend.</p> <div data-bbox="371 860 777 936" data-label="Text"> <p>Book here</p> </div>
	<p>CQUniversity’s Principal’s Recommendation Scheme Alternate Entry Pathway</p> <p>Applications for Term 1, 2023 are now open and will close 1 December 2022</p> <p>At CQUniversity, we believe senior schooling results are an important factor leading to student success. We also recognise that other factors and attributes such as motivation, talent, and passion have a key role to play as well.</p> <p>Our Principal’s Recommendation Scheme is an early offer scheme that allows Year 12 students to apply to an undergraduate CQUniversity course based on the recommendation of their high school Principal rather than ATAR. Open to all Year 12 students, the Scheme is designed to assist capable students to access entry to CQUniversity, it in no way provides relaxation of the quality and academic standards that students must meet to successfully complete their degree.</p> <p>Most of CQUniversity's undergraduate courses are included in the Scheme and there's no need to wait for your Year 12 results to be released or to receive an ATAR to submit your application. So, if you are in Year 12 and thinking of university study, our Principal's Recommendation Scheme allows you to receive an unconditional offer for a CQUniversity course within 48 hours of submitting your application.</p> <p>https://www.cqu.edu.au/courses/future-students/future-study-options/high-school-to-uni-and-tafe/principals-recommendation-scheme</p>
	<p>2023 Course Guide</p> <p>We are excited to announce that the electronic version of the 2023 course guide is now available. You can download a copy here.</p>

Macquarie How to apply for the Macquarie Leaders and Achievers Early Entry Scheme Wednesday 1 June 2022, 6pm

The Macquarie Leaders and Achievers Early Entry Scheme will reward your academic achievements, leadership qualities and commitment to community with an early offer to your dream degree at Macquarie in 2023. Want to learn more and find out how to apply? Join us for our webinar to hear from current students who will share their insights about the early entry experience, explain how to apply step-by-step and answer your questions.

The Law Admission Test (LAT) Register, Practice, Sit

The Law Admission Test (LAT) is a professionally designed and scored selection test developed by the Australian Council for Educational Research (ACER) to assess the types of aptitudes and skills that are critical to success in tertiary Law programs. These aptitudes and skills include the ability to think critically, to analyse information, and to organise and express ideas in a clear and fluent way.

The LAT is a computer-based test developed by the Australian Council for Educational Research (ACER) in conjunction with UNSW Law & Justice and is currently used for selection into undergraduate level programs in Law at UNSW Sydney.

Register LAT by 5 pm AEST Friday 12 August 2022 here:

<https://lat.acer.edu.au/register>

Practice here:

<https://lat.acer.edu.au/prepare>

Sit test info here:

<https://lat.acer.edu.au/sit>

<https://lat.acer.edu.au/>

June | 21 & 23 UNSW Scholarships Info Evening

July | 5, 6 & 7 Year 10 Experience Days

August | 21 UNSW Canberra at ADFA Open Day

September | 3 UNSW Open Day

December | TBC UNSW Info Day - date available when ATAR release is confirmed

Heads up UTS Engineering and IT Portfolio (Year 12)

Applications for the Year 12 Portfolio 2023 will open later this year.

Your portfolio can be used for both your Early Entry Program – Edge application and your UAC application.

Early Entry Program – Edge

Your final ATAR score may be one indicator of your ability to become a successful engineer or IT specialist, but we know you're more than just a number. Our new Edge Program is based on broader criteria than an ATAR alone.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/early-entry-program-edge>

UTS – Be eligible for 10 Adjustment Points for Women in Engineering IT and Construction

If you're female and have applied for selected engineering, information technology or construction project management courses, you're eligible to receive 10 adjustment points. These adjustment points are automatically applied (no additional application required) and contribute to your selection rank.

Eligible engineering, information technology and construction project management courses are: Bachelor degrees in I.T., Games, Science, Business, Engineering, Construction. For a full list click on the title above.

<https://www.uts.edu.au/future-students/undergraduate/admission-requirements/admissions-schemes/specific-study-area-schemes/women-engineering-it-and-construction>

UTS - Up to 5 Adjustment Point for Work Experience

You may be eligible for up to five adjustment points if your work experience relates to the course you are applying for. Complete the employment question in your UAC application so your work experience can be considered for specific courses in:

- Engineering and IT
- Business
- Science

<https://www.uts.edu.au/future-students/undergraduate/admission-requirements/admissions-schemes/specific-study-area-schemes>

UTS – Science - Entry pathway through aptitude assessment

Tuesday 21 June 2022, 10:00 am

The aptitude assessment is an opportunity for students to demonstrate their potential, and possibly secure an offer to study at UTS Science. The assessment is designed to assess your analytical and critical thinking skills. It is a general knowledge-based assessment and there is no need to study for it

Register here:

<https://forms.uts.edu.au/web/index.cfm>

TAFE AND COLLEGE INFORMATION

Is a traineeship or apprenticeship right for me?

An apprenticeship or traineeship is one of the best ways to get hands-on training and a nationally recognised qualification while being paid. They're more than a foot in the door to gain experience - they're a great way to start your career as they give you the skills employers need. You can even begin your apprenticeship or traineeship while you're at school. And many of them are fee-free!

Apprenticeships

As an apprentice, you'll spend three to four years learning a traditional trade such as building and construction, automotive, cooking, engineering, hairdressing or manufacturing. You'll graduate as a qualified tradesperson.

Traineeships

As a trainee, you'll spend one to three years, depending on your industry and qualification, learning a vocation in areas such as agriculture, information technology, hospitality, business, digital media or financial services.

To help you find the right location, course and provider, use these filters to refine these results

Compare the providers available to find the perfect match to how you like to study

<https://skills.education.nsw.gov.au/apprenticeship-traineeship>

Bert Evans Apprenticeship Scholarship 2022

Closes Friday 27 May 2022 at 11:59PM

About Bert Evans Apprentice Scholarships

Scholarships are available to assist apprentices in NSW who have demonstrated:

hardship in their personal circumstances

capability for vocational education and training that leads to successful completion of their trade training

a positive attitude and application in workplace and formal training. Scholarships are open to NSW registered apprentices in both metropolitan and country areas, including school based apprentices.

<https://bertevans.scholarshipsplatform.com/>

TAFE NSW Degrees

We offer a number of degree level courses and higher education options.

- 3D Art & Animation
- Fashion Design
- Interior Design
- Information Technology
- Business and Commerce
- Early Childhood Studies
- Property
- Community Services

With strong industry links to over 25,000 employers, your students will get both the practical skills and theoretical knowledge to land a job faster and succeed in their chosen career. For more info visit:

Career Opportunity at Engadine Bowling & Recreation Club

Apprentice Greenkeeper

Engadine Bowling Club is looking for an energetic, enthusiastic and proactive self-starter with a keen interest for a career in Horticulture.

To be successful in your application, you will need the following qualities;

- Ability to work in a small team
- Initiative to work independently at times
- Must be able to work weekends
- Keen to learn and develop new skills
- Have good communication skills
- Drivers Licence (preferred)

While employed by Engadine Bowling Club in this role, you will be studying Certificate III in Horticulture (Turf).

Please submit all applications in writing to Chris Roberts, General Manager at chris@engadinebowling.com.au by Friday 8th April.

Apprentice Signmaker

- Fast growing and well-established company
- Diverse projects across all industries and a strong pipeline of work
- Secure, full-time, entry level position in a great team environment

About AW Signs

For more than 50 years we have been manufacturing and installing signs of all types, for environments of all types and for clients of all types.

Our experience flows through our business and leads our advice, our process, and our delivery. Our team are the core of our business and give us the confidence to compete, deliver and grow. It's this confidence that sets a high bar for every client, every challenge, and every project.

This is an exciting opportunity to be hands on within a fast moving and growing organisation!

About you

You will be looking to build a career for yourself within a small but supportive team where each day is unlike the one before. You will enjoy pushing yourself and developing your skills and gaining experience within a blue collar industry and a small business environment.

You will be organised, experienced using Microsoft 365, have great attention to detail, enjoy hard work and strong communication skills. You will also be adaptable, prompt, punctual and prepared. It might help if you love being in the nitty gritty of it all and don't mind some manual labour.

Are you finishing Yr 12 or Yr 11 and looking to start your career in childcare???

BearChildCare Centres are located in Miranda, Beverly Hills & Roselands.

We are all looking for young, enthusiastic, compassionate and caring individuals to start a career in childcare with our highly professional Team of Educators.

Kick-start your career in childcare and take on a Traineeship with us, where you will be trained, guided, mentored and coached whilst you work and study, on how to be a dynamic, energetic, loving and caring Child Care Educator.

BearChildCare Centres are all Exceeding National Quality Standards!!!

We love what we do! We love where we work! We love educating our children!

Send me your CV to: careers@bearchildcare.com.au

Or Contact Eleni, Director BearChildCare Centres on 0413-917171 😊

An exciting opportunity [Rainbow Club Australia](#) have for students 16 years and older, who may be looking for casual work, or to support themselves as they go on to complete university.

Rainbow Club Australia is a network of social swimming clubs for children with a disability and we are on the search for new teachers in your area.

We would like to extend an invitation to students at your school to attend our upcoming Train to Teach Program in Kirrawee on 22nd April 2022.

Rainbow Clubs Train to Teach is a special intensive program that will allow your students to become a qualified swim teacher for **free**! Once qualified, they will have a guaranteed, paid teaching position with Rainbow Club. Rainbow Club provides invaluable experience, great pay, and regular weekend work in a club within your local area.

Students can apply to join our Train to Teach Program directly from our website; [Train to Teach](#)

Website: tafensw.edu.au

"At the start of this course, I was very nervous and didn't think this was the course for me. I felt very overwhelmed because I hadn't done maths in a number of years"

"I was not confident with my math skills at all!"

"However, by simply turning up every day and working hard, I was able to achieve perfect test results and felt a great sense of pride."

"This course has taught me to believe in myself and amazing things can happen"

Advice for Choosing HSC Courses from NSW Education Standards Authority

Your aim is to attain the best HSC result you can. So, you should choose courses that you are good at, interested in and may use in the future. When considering which courses to study, explore the content of a course. For example, what are the course outcomes? Will you be required to submit a major work, or perform, as part of your exams? Talk with your teachers about your strengths and weaknesses, as well as individual course requirements, before making your selections.

<http://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/subject-selection>

The 2022 National Youth Concerto Competition (NYCC)

Applications must be received by 6pm Thursday, 30 June 2022

The 2022 National Youth Concerto Competition (NYCC) Finals Week is Saturday 1 to Sunday 9 October

The NYCC is recognised as the most prestigious competition in Australia for string soloists aged up to 18 years. It was established by Queensland Youth Orchestras in 1976 to encourage the development of young Australian string players.

Apply here:

<https://www.qyo.org.au/2022-johncurro-national-youth-concerto-competition>

<https://www.qyo.org.au/2022/jcnycc>

National History Challenge

Ensure entries are submitted online by the closing date, 26 August 2022

The National History Challenge is a free research-based competition for Australian students. It gives students a chance to be historians, researching world history, examining Australia's past, investigating their community or exploring their own roots. It emphasises and rewards quality research, the use of community resources and effective presentation.

Main page here:

Studying at Home – How to avoid procrastination

In any other circumstances, switching to the non-traditional study route of online study might be exhilarating. It's a fantastic experience – one that helps you develop many crucial soft skills – but it also comes with its unique challenges. And at a time when we're bombarded with so many other hardships, the prospect of being in charge of your own learning becomes more intimidating than exciting.

<https://this.deakin.edu.au/study/studying-at-home-how-you-can-avoid-procrastination>

What can you do with a physics degree?

Sold on a Bachelor of Science, but not sure what to major in? Here are four cool and unexpected jobs a Bachelor of Science (Physics) could lead to.

If you're thinking about enrolling in a Bachelor of Science, there are loads of reasons why majoring in physics is a good idea. And despite the maths-meets-science elective often overlooked for those with clearer post-grad pathways, there are loads of industries crying out for a physics major's advanced maths, analytics, problem-solving and computational skills.

https://careerswithstem.com.au/physics-qut/?utm_source=Refraction+Media&utm_campaign=4412ea6283-EMAIL_CAMPAIGN_2018_04_04_COPY_03&utm_medium=email&utm_term=0_20dc88b9ea-4412ea6283-148898187&mc_cid=4412ea6283&mc_eid=5a58dfdde9#gsc.tab=0

Paid Gap Year in New Zealand

Experience all the thrills and adventures of a New Zealand Gap Year with a paid position in a leading school. With bustling cities, stunning scenery and endless adventures, it's no surprise New Zealand is a popular gap year destination. Filled with mountains, lakes and glaciers, New Zealand has everything to offer. Whether you want to spend your time bungee jumping over the Waikato River, exploring the Māori culture with a trip up Mount Hikurangi or relaxing on the 15,000 kilometres of coastline, New Zealand has it all.

Our New Zealand gap year programmes are designed for individuals between 18 and 25 years old who want to explore the Middle Earth. It's the perfect opportunity to take an organised adventure after graduating from high school or before entering the workforce.

<https://www.letzlive.org/programmes/paid-gap-year-in-new-zealand/>

Camp America (Australia) Applications for 2023 are open! Start your adventure to work in the USA next year by applying now. Get a placement with a Summer Camp before the end of the year. Spend 9-12 weeks working at a summer camp and rest easy knowing you're going with the experts that provide medical coverage and 24/7 support whilst in the USA. You'll thank yourself for the bonus summer later!

On Call Firefighters Express Your Interest

They use specialised vehicles and equipment to:

prevent and reduce the risk of fire and potential loss to life and property

work closely with the local community to increase fire safety awareness and promote fire prevention

undertake all manner of rescue

deal with hazardous material incidents and,

assist other agencies with emergency medical responses and severe weather-related events

<https://www.fire.nsw.gov.au/page.php?id=11>

Join the NSW Community Fire Unit Program

A Community Fire Unit (CFU) is a team of local residents living in urban areas close to bushland who are supported by Fire & Rescue NSW (FRNSW) to enhance their safety and resilience to bushfires. As a volunteer CFU member you will learn how to prepare yourself, your family and your home ahead of the bushfire season. If you are 16 or 17 years old you can join a CFU if your parent or guardian is also a member of the CFU.

<https://www.fire.nsw.gov.au/page.php?id=133>

See yourself in Orange - SES

Every NSW SES volunteer is part of a team of over 10,000 highly-trained professionals across the state who share a commitment to helping their communities. NSW SES volunteers come from all walks of life and bring a wide range of skills, experiences and backgrounds to the roles they perform.

There are lots of roles that you can do depending on what you like and what you want to learn. Whether providing on-the-ground support, assisting in operational support roles or raising community awareness through education programs, there are many ways to be part of NSW SES.

<https://www.ses.nsw.gov.au/get-involved/volunteer/unit-volunteers/>

Discover your Path to Physiotherapy

Physiotherapists play an important role in keeping people moving, whether it be for maximum performance in athletes and people with chronic health conditions. They also have an impact on patients who require

rehabilitation after events such as surgery or a catastrophic accident. It can be rewarding to see patients reach their goals.

<https://www.myhealthcareer.com.au/physiotherapy-career/>

Tax File Number

Any student will need a tax file number if he/she starts work (part-time and full-time) and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they will be requested to provide their Tax File Number (TFN) on enrolment to TAFE or university next year, so it is worthwhile getting an application submitted early!

Students must now apply for a TFN online and have their identity verified through an interview at a [participating Australia Post office](#).

To apply and also to find out about participating Post Offices, visit [Apply for a TFN](#).

CAREERS ADVISORY SERVICE

This website provides access to the Careers Advisory Service, an annual department initiative to enable students and their parents or caregivers to phone, email or webchat at the beginning of the summer vacation with a highly experienced school careers adviser. This service is provided shortly after the release of the Higher School Certificate (HSC) results by the NSW Education Standards Authority (NESA) and the Australian Tertiary Admission Rank (ATAR) by the Universities Admissions Centre (UAC).

The service complements the range of career support provided by schools during the year. The service particularly supports students whose results are higher or lower than they expected. The Careers Advisory Service is professional, friendly and impartial.
