### **UAC Digital - Let's Chat – Alternative pathways to university**

**13 October 2022. 6pm**

Pathway courses are for applicants who don't meet the minimum requirements for entry into a bachelor degree. Learn about certificate, diploma and preparation courses.

In this session we'll be joined by a panel of admissions experts from various universities. We'll discuss:

- pathways you can take if you don't meet your dream course's selection criteria
- the benefits of taking a pathway course
- pathway course credits you can receive if you want to get into an undergraduate degree
- which unis offer pathway courses.

<https://uacdigital.easywebinar.live/registration-lets-chat-alternative-pathways-to-university>

### **UAC Digital - Let's Chat - Applying for the Educational Access Scheme**

**Wednesday 2 November. 6pm**

The Educational Access Scheme (EAS) can help students who have experienced long-term disadvantage get into university. The Educational Access Scheme (EAS) is for students who have experienced long-term disadvantage(s) and may help with entrance into university. We'll give you an overview of EAS and discuss:

- categories of disadvantage
- how to apply
- application documentation

- EAS key dates
- application tips.

And we'll give answers to the most commonly asked questions!

<https://uacdigital.easywebinar.live/registration-lets-chat-applying-for-the-educational-access-scheme>

### **UAC Digital - Let's Chat - The Schools Recommendation Scheme, course preferences and offers**

#### **Wednesday 9 November. 6pm**

Have you applied for the Schools Recommendation Scheme? Let's discuss what to do now!

The Schools Recommendation Scheme (SRS) is one way institutions make early offers of undergraduate admission to Year 12 students. They do this by using criteria other than (or in addition to) the ATAR.

Learn about key dates, listing course preferences and what to do once you receive an offer.

<https://uacdigital.easywebinar.live/registration-lets-chat-the-schools-recommendation-scheme-course-preferences-and-offers>

### **Apply for undergraduate study**

Applying is quick and easy.

Take a look at our short video guides for Year 12 students and post-school applicants.

You can **apply or log in between 7.30am and midnight** and we'll automatically log you out if you're inactive for 30 minutes.

There is a non-refundable processing charge of **\$73.00**. You can pay using Mastercard, Visa or PayPal. Your application is not complete until you have paid.

Do not submit more than one application in each admissions year. Duplicate applications will be cancelled. Log back in to your application to update your contact details, qualifications or course preferences.

Offers are made on specific dates throughout the year. There are application deadlines for each offer round.

### **View all UAC events on the key dates page.**

A full listing of all Uni news and deadlines.

<https://www.uac.edu.au/key-dates>

### **What is the ATAR?**

The ATAR is a rank, not a mark.

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group (ie all 16 to 20 year olds in NSW). So, an ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group).

Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (eg a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test).

### **UOW Applications and Auditions**

Applications to the Bachelor of Performance and Theatre are assessed based on academic results and audition.

Before you organise your audition you must first have applied for admission.

The outcome of your audition will be communicated in response to your application for admission.

After you have applied for admission, organise your audition.

Auditions for Early Admission must be submitted as a Digital Audition.

Auditions for UAC, Direct Entry or Course Transfer can be done EITHER in person on campus in Wollongong, OR as a Digital Audition. You can decide which method best suits you. Follow the side links to register for your audition, and remember to select a method and date that matches your admission pathway!

If you have questions about the audition process that are not answered on these pages, please contact [auditions-taem@uow.edu.au](mailto:auditions-taem@uow.edu.au).

**Law Buffs - What is the WSU High School Mooting Competition?**

**Monday 31 October 2022 - Tuesday 1 November - Preliminary Rounds**

Friday 11 November 2022 - Semi-finals and Final

Mooting - arguing a hypothetical legal case - was initially developed as a means of training young barristers about legal process, advocacy and persuasion. Today, mootings are an important part of the curriculum within the School of Law at Western Sydney University, providing students with the opportunity to develop skills in appellate (as compared to trial) advocacy in real courtroom settings.

The School of Law is inviting high school students in Western Sydney to participate in the Kirby Cup Western Sydney University High School Mooting Competition in 2022.

The registered high school mootings teams will be organised to compete against one another in a preliminary competition to be held online on 31 October and 1 November 2022.

The semi-finals and final will be held on 11 November 2022 in an official courtroom setting at our Campbelltown campus. The Judges of the Final will include current and/or former New South Wales and Federal Judges. Parents and family are able to attend the Finals.

## **University - General**

### **How to transfer to a different degree**

Many students enrol in a course with a plan to transfer into another course after completing a year's study. A typical example is completing one year of a general degree (such as Arts) and then transferring to a more specialised degree (such as Arts/Law). Other students start a degree only to find it's not quite right for them. They'd like to move to a completely different degree. Whatever your reason for wanting to transfer to another course, how do you do it?

## **EarthX Eco Art Competition**

**Closes: January 24 2023**

Young artists, aged up to 22, create a 2-D, two dimensional or 3-D, three-dimensional artwork that illustrates the 2023 theme message: Protectors for the Planet. Participants may use any medium or combination of media if the work meets the size requirements designated in the Official Rules.

The artwork must address this year's theme: Protectors for the Planet. The subject matter can centre around different aspects of the theme. Artists could illustrate how they would directly impact their community or provide a solution to a global environmental concern. The artist may interpret the theme Protectors for the Planet to include individuals taking action towards a more sustainable planet. Artists may use visual elements to express their views on: biodiversity, ocean health, pollution, climate change, waste disposal, conservation, wildlife habitat security or green innovation, to name a few.

## **ASX Schools Sharemarket Game**

**Registrations will close on 22 September 2022**

Game will run till October 27, 2022

Please note: Only teachers can register for the Game. If you are a student and you want to participate in the Game, please ask a teacher to register for the Game and then sign you up.

What is learnt in class about investing and the Sharemarket, you can put into practice by participating in the Sharemarket Game. Students receive a virtual \$50,000 they can invest over a 10 week period, in over 300 companies listed on the ASX. The prices students buy and sell at are the same prices as they would get in the live market so this is as close to real life share trading as you can get. The Game now also provides your students with exposure to 55 ETFs and 5 LICs to diversify their portfolio.

By participating in the Game you will:

Develop your knowledge of the sharemarket,

learn how to research companies,

discover the importance of wise investment decisions,

gain a greater knowledge of economic and world events, and

begin to learn more about investing which is beneficial for your future.

It is free to register and as a bonus students can win cash prizes.
